AFSCME AGREEMENT, LOCAL #3845
January 1, 2023 - December 31, 2025

This Agreement is by and between the City of Bothell (hereinafter referred to as the "City") and the Washington State Council of County and City Employees AFSCME - AFL-CIO Local #3845 (hereinafter referred to as the "Union"), for the purpose of setting forth the mutual understanding of the parties as to wages, hours and other conditions of employment of those employees for whom the City has recognized the Union as the exclusive collective bargaining representative.

PREAMBLE

The City and the Union agree that the efficient and uninterrupted performance of municipal functions is a primary purpose of this Agreement. Both parties further agree that in the interest of collective bargaining and harmonious relations, they will at all times abide by the terms and conditions as hereinafter set forth and agreed upon. The City and Union regard all personnel as public employees who merit the trust and confidence of the general public and fellow employees.

ARTICLE 1 - RECOGNITION AND BARGAINING UNIT

Section 1. According to the PERC definition as set forth in Case Number 4295-E-82-796, those included in this bargaining unit include all regular full-time and regular part-time and limited term City employees except uniformed Fire and Police Officers, Department Heads, confidential employees and supervisory personnel. The City recognizes the Union as the sole and exclusive representative of the bargaining unit for the purposes of collective bargaining with respect to wages, hours and other conditions of employment.

Section 2. Limited term employees.

- A. Limited term employees are those who work 70 hours or more per month for 5 or more months out of any 12 months, and do bargaining unit work.
- B. Said employees shall become members of the Union under the provisions of Article III - Union Security.
- C. Limited term employees are hired to fill positions for a pre-determined time period or to complete a special project, but for no more than 24 months unless agreed to by the Union and the City.
- D. Such employees shall be entitled to the full benefits and rights granted by this Agreement; provided, however, the Union agrees that such employees shall not have access to the grievance procedure for decisions related to tenure of employment.
- E. Limited term employees serve a 12 month probationary period.
- F. Limited term employees may compete for open, regular positions with the City, and if appointed, serve a new probationary period in the regular position, in accordance with Article 9, Section 2.

- G. If appointed to a regular position with the City, time spent as a limited term employee shall count toward seniority for any of the purposes established by this contract; provided there was no break in employment with the City.
- H. Limited term employees shall not replace or supplant regular employees' bargaining unit work.

Section 3. Temporary and/or seasonal employees are not covered by this Agreement. The term of employment of temporary employees will not exceed five (5) months (no more than 800 hours annually) without mutual written agreement between the City and the Union.

Section 4. Regular and limited term part-time employees employed a minimum of 30 or more hours a week or 1560 hours/year are considered "full time" employees and shall receive full health care benefits and pro-rated leave benefits provided herein; regular part-time employees who work 20 or more, but less than 30 hours a week are considered "part-time" employees and shall receive pro-rated benefits described herein, based on the number of hours in their regularly scheduled work period.

Section 5. Provisions specific to Police Department employees are contained in Addendum A.

ARTICLE 2 - MANAGEMENT RIGHTS

Section 1. It is understood and agreed that the City possesses the sole right and authority to manage and direct the employees of the City and its various departments in all aspects except as modified in this Agreement. These rights include, but are not limited to:

- A. To determine its mission, policies that do not conflict with this Agreement, and to establish all standards of service offered to the public.
- B. To determine the methods, means and number and kinds of personnel needed to perform departmental services.
- C. To direct the working forces.
- D. To hire and assign or to transfer employees consistent with the terms of this agreement to positions for which they are qualified within the City service.
- E. To promote, suspend, discipline or discharge for just cause.
- F. To prepare and/or revise, with employee participation, and Union participation when there is a conflict with this contract, the City of Bothell Employee Personnel Policies, and departmental policies, procedures, and guidelines.

- G. To enforce said Personnel Policies, subject to the appeals procedure contained therein.
- H. To introduce new or improved methods, equipment or facilities.
- I. To contract out for goods and services, and to meet and confer with Union and employees regarding such action. Said meet and confer process may occur at the Labor Management Committee.
- J. To supplement the workforce with volunteers and temporary employees, to (a) perform new duties or tasks and (b) to assist in duties performed by bargaining unit employees.
- K. To take any and all actions necessary (including in times of emergency) in a manner consistent with the provisions of this Agreement.

Section 2. The City Council shall have the sole authority to determine the purpose and policies of the City and the amount of budget to be adopted thereto.

ARTICLE 3 - UNION SECURITY

Section 1. The Employer recognizes the WASHINGTON STATE COUNCIL OF COUNTY AND CITY EMPLOYEES/AFSCME Council 2 and its affiliated local (hereafter Union) as the sole and exclusive bargaining representative in all matters concerning wages, hours, and other conditions of employment for all employees described in the recognition clause.

Section 2. The Employer shall remain neutral when communicating with employees about Union membership and direct the employee to discuss union membership with a union official or staff representative.

Section 3. For current Union members and those who choose to join the Union, the Employer shall deduct twice each month all Union dues and fees uniformly levied and transfer that amount to the Union upon receipt of an Authorization for Payroll Deduction.

Section 4. The Employer shall honor the terms and conditions of each employee's Authorization for Payroll Deduction. Whether an employee is a union member or not, the Employer shall continue to deduct and remit dues and fees to the Union until such time as the Union notifies the Employer that the dues authorization has been properly terminated in compliance with the terms of the Authorization for Payroll Deduction executed by the employee.

Section 5. The Employer agrees to notify the Local Union President of any new positions and new employees. A Union official shall be granted time, as approved by his or her supervisor, to provide a basic overview of the employees' rights and responsibilities regarding Union membership, dues authorizations, and Union insurance.

Section 6. The Employer shall provide to the Union quarterly, upon request, a complete list of all bargaining unit members that includes: Employees name, work address, home address, work phone, personal phone, work email, birth date, hire date in current bargaining unit job, job classification, department, hours worked, and monthly based wage. The Union agrees to indemnify and hold the City harmless for any claim made regarding the release of this information.

Section 7. The Union shall indemnify and hold the City and its agents harmless from any and all claims from any person arising out of the administration of this Article.

ARTICLE 4 - LABOR-MANAGEMENT COMMITTEE

Section 1 - Intent. It is the intent of the City and the Union to meet from time to time to discuss, in a non-adversarial and collaborative forum, matters not specifically addressed in this Agreement.

Section 2 - Schedule and Composition.

- A. The Labor Management Committee will meet quarterly, or more or less often as needed.
- B. The Committee shall be comprised of four (4) management members and four (4) Union members. Both parties will attempt to select members from a broad spectrum of City departments. Names of the members shall be provided to each party by January 1 of each year.
- C. The Committee may utilize outside resources as needed and appropriate. This may include an individual who is concerned about or directly affected by a specific issue or policy.

Section 3 - Purpose and Format.

- A. An agenda shall be jointly developed by both parties one (1) week prior to the meeting date.
- B. The meetings shall normally be held during regular working hours and at no loss of pay to the employees participating.

Section 4 - Limited Scope. No matters or conclusions discussed in the Labor-Management meeting shall contradict, add to, or delete from any provisions of this Agreement.

ARTICLE 5 - NON-DISCRIMINATION

Section 1 - Discrimination Prohibited. Neither the City nor the Union shall discriminate against any employee covered by this Agreement in a manner which would violate any applicable laws because of gender, gender identity or expression, sexual orientation, marital

status, race, color, creed, national origin, age, or the presence of a sensory, physical or mental handicap.

Section 2. The City and the Union agree that the application of this Agreement and City Personnel Policies, Rules or Regulations will be administered in a uniform manner, considering all relevant circumstances.

ARTICLE 6 - DISCIPLINE

Section 1 - Employee Discipline. The City shall not discipline or discharge any post-probationary employee without just cause. Any employee may choose to have a Union representative or another Union member present at all meetings during pre-disciplinary or disciplinary proceedings. For the purposes of this section, verbal coaching/counseling sessions between a supervisor/manager and employee that are informal and intended to improve or modify work performance are not classified as pre-disciplinary or disciplinary proceedings.

Section 2 - Disciplinary Action. Disciplinary action or measures may include documented oral reprimand, written reprimand, suspension, reduction in step, demotion or discharge, according to the City of Bothell Personnel Policies. The City agrees that disciplinary action is intended to be progressive in nature; however, the City may advance to more serious disciplinary action if warranted by the violation.

ARTICLE 7 - GRIEVANCE PROCEDURE

Section 1 - Intent. It is the desire of the City, its management, Union and its members to resolve grievances that may arise during the term of this Agreement informally and at the lowest level possible. A "grievance" means a claim or dispute by an employee (or the Union in the case of Union rights) with respect to the interpretation or application of the provisions of this Agreement.

Section 2 - Procedure.

STEP 1: An employee must present a grievance in writing within fifteen (15) calendar days of the date the employee knew or should have known of the occurrence to the employee's supervisor who shall attempt to resolve it and respond in writing within fifteen (15) calendar days after it is presented.

STEP 2: If the employee is not satisfied with the solution by the immediate supervisor, the grievance, in writing, may be presented within fifteen (15) calendar days of the supervisor's response to the Department Head by a Union representative. The written grievance shall include a statement of the issue, a chronological listing of the pertinent events that took place, the section of the Agreement violated and the remedy sought. Such information shall be submitted on an official Grievance Form, which shall be provided by the

Union. The Department Head shall attempt to resolve the grievance and respond in writing within fifteen (15) calendar days after it has been presented.

Alternatively, by mutual agreement of the Union and the City, non-disciplinary grievances may be submitted to the Labor Management Committee for resolution. The Labor Management Committee will consider the statements of the employee and the City and attempt to resolve the matter within fifteen (15) calendar days of submittal. The Committee's role is limited to facilitating dispute resolution; it may not compel settlement and no record of the Committee is admissible in arbitration. If the employee is not satisfied with the solution of the Committee, the grievance may then be filed, in writing, within fifteen (15) calendar days, with the Department Head.

STEP 3: If the Union Board is not satisfied with the solution by the Department Head, the grievance may be presented within fifteen (15) calendar days to the City Manager. The City Manager shall attempt to resolve and respond in writing to the grievance within fifteen (15) calendar days after it is presented.

STEP 4: If the grievance is not resolved by the City Manager within fifteen (15) calendar days, the grievance may be referred to a mediator. The City and the Union shall attempt to select a mediator by mutual agreement. In the event the parties are unable to agree upon a mediator, either party may forward a request to the Executive Director of the Public Employment Relations Commission (PERC) to assign a Mediator from his staff. Upon designation of the Mediator, the parties will make every attempt to schedule a date for mediation within fifteen 15 calendar days.

- a) Proceedings before the Mediator shall be confidential and informal in nature. No transcript or other official record of the mediation conference shall be made.
- b) The Mediator shall attempt to ensure that all necessary facts and considerations are revealed. The Mediator shall have the authority to meet jointly and/or separately with the parties and gather such evidence as deemed necessary.
- c) The Mediator shall not have the authority to compel resolution of the grievance. If the Mediator is successful in obtaining agreement between the parties, he shall reduce the grievance settlement to writing. Said settlement shall not constitute a precedent unless both parties so agree.
- d) If mediation fails to settle the dispute, the Mediator may not serve as an arbitrator in the same matter nor appear as a witness for either party. Nothing said or done in mediation may be referred to or introduced into evidence at any subsequent arbitration hearing.

STEP 5: Arbitration Procedure. If the grievance is not settled in accordance with the foregoing procedure, the Union or Employer may refer the grievance to arbitration within twenty (20) calendar days after the receipt of the answer in Step 4. If the request for arbitration is not filed by the Union Staff Representative or the Employer within twenty (20) calendar days, the Union or the Employer waives its right to pursue the grievance through the arbitration procedure. The City and the Union shall attempt to select a sole arbitrator by mutual agreement. In the event the parties are unable to agree upon an arbitrator, either party may request the Public Employment Relations Commission (PERC) to submit a panel of nine (9) arbitrators. Both the City representative and the Union representative shall have the right to strike four (4) names from the panel. The party striking the first two (2) names shall be determined by a flip of a coin. The other party shall then strike the next two (2) names and so on. The remaining person shall be the arbitrator. The arbitrator shall be notified of his selection by a joint letter from the Employer and the Union requesting that he/she set a time and a place subject to the availability of the City and the Union representatives. The arbitrator shall have no right to amend, modify, ignore, add to, or subtract from the provisions of this Agreement. He/she shall consider and decide only the specific issue submitted to him/her in writing by the City and the Union, and shall have no authority to make a decision on any other issue not submitted to him/her. The arbitrator shall submit his/her decision in writing within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The decision shall be based solely upon his/her interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. The decision of the arbitrator shall be final and binding, provided the decision does not involve action by the Employer which is beyond its jurisdiction.

Section 3 - Miscellaneous Provisions.

- A. The cost of the arbitration shall be borne equally by the parties including the Arbitrator's fees and expenses, room rental and cost of record.
- B. Each party shall bear the cost of the preparation and presentation of its own case and for compensating its own representatives and witnesses.
- C. The term "employee" as used in this Article shall mean an individual employee, a group of employees, and/or their Union representative.
- D. An aggrieved party shall be granted time off without loss of pay for the purpose of hearing on a grievance.

- E. A grievance may be entertained in, or advanced to, any step in the grievance procedure if the parties so jointly agree.
- F. The time limits within which action must be taken or a decision made as specified in this procedure may be extended by mutual written consent of the parties involved. A statement of the duration of such extension of time must be signed by both parties.
- G. Any grievance shall be considered settled at the completion of any step if the employee is satisfied or deemed withdrawn if the matter is not appealed within the prescribed period of time.

ARTICLE 8 - NO STRIKES OR LOCK-OUTS

Section 1. The City and the Union recognize that the public interest requires the efficient and uninterrupted performance of all City services, and to this end pledge their best efforts to avoid or eliminate any conduct contrary to this objective. During the term of this Agreement, neither the Union nor the employees covered by this Agreement shall cause, engage in or sanction any work stoppage, strike, slowdown or interference with City functions. Employees who engage in any of the foregoing actions shall be subject to disciplinary action. The City shall not institute any lock-out of its employees during the life of this Agreement.

ARTICLE 9 - PROBATION

Section 1 - Probation Period, New Hires. A newly hired employee shall have a probationary status of twelve (12) months. A probationary employee will receive a performance appraisal at six (6) months of employment. An employee may be terminated at any time during the probationary period without recourse to the grievance procedure (Ref. Article 6, Section 1).

Section 2 - Probationary Period - Promotions, Demotions and Transfers. All promotions, demotions and transfers shall be subject to a six (6) month probationary period. In the event a promoted or transferred employee is found to be unsatisfactory following a performance evaluation after six (6) months, the employee shall be restored to his/her previous position. If a demoted employee fails to pass the probationary period, and the demotion was voluntary, the employee will be restored to his/her previous position. For the purposes of this Section, a) promotions shall be defined as movement from one position covered by this Agreement to another position covered by this Agreement with a higher salary range; b) transfer shall be defined as movement from one position covered by this Agreement to another position covered by this Agreement in the same salary range; and demotion shall be defined as movement from one position covered by this Agreement to another position covered by this Agreement with a lower salary range.

ARTICLE 10 - LAYOFF AND RECALL

Section 1 - Layoff/Recall. If it becomes necessary to reduce the number of employees employed by the City at any time, the City Manager, after consultation with the Department Head, may abolish any position. Layoffs may result from lack of work, budgetary restrictions, or other changes that have taken place. The employee to be laid off shall be given fourteen (14) days' notice before such layoff is to take place. No regular employee shall be laid off while another person in the same classification is employed on a probationary or temporary basis in a position for which the regular employee is qualified. In determining who in any classification is to be laid off, consideration will be given to individual performance and seniority in the affected classification. In cases where qualifications are equal, seniority shall govern. The City Manager shall place the names of employees laid off on an eligibility list for recall. The list shall remain active for two years. Employees on this list shall receive the first offer of re-employment for vacancies in their previous job provided they return to work within 30-days.

Employees selected for layoff shall have the option of bumping employees in the next lower classification within their department. In determining who in any classification is to be bumped, consideration will be given to individual performance and seniority as defined by hire date with the City.

Section 2. Any notice of an offer of re-employment shall be sent by certified mail, return receipt requested, to the employee's last address of record. It is an employee's responsibility to keep the City advised of his or her whereabouts.

ARTICLE 11 – CLASSIFICATION CHANGES

Section 1. The City Council adopts a Classification Plan, and approves salaries to be paid to employees as part of the biennial budget process. It is the City's intent to pay salaries within budget limitations that compare favorably with other similar cities and the local area, for comparable jobs. If an employee believes that their position is not classified correctly they can contact their supervisor and/or Human Resources staff who will work with them to go through a review process. If the employee does not agree with the results of that process they will have an opportunity to request a second review per the policies and procedures of the City. Generally, the City will do a classification and compensation study within two negotiations cycles (every 6-years) of this contract.

Section 2 - Re-classifications. In the event that a position is re-classified to a higher range grade, the incumbent will be placed in the step closest to a 4% increase in the new range without going below 4%. If the position is re-classified to a lower range grade, the incumbent will be placed at the step in the new range that most closely matches their current salary. If this would cause a decrease in salary, the incumbent's rate of pay will be frozen (unaffected by cost-of-living increases or step increases) until the newly assigned step increases to at least to the incumbent's current salary at the time of re-classification.

Section 3 - Out-of-Classification Pay. Employees who substantially fulfill the scope of a higher classification on a temporary basis shall be compensated for such work. Out-of-classification assignments shall be offered to the most senior, qualified employee who is available and meets performance expectations in their current position. Management shall notify the employee of such assignment in writing. Included in this notification will be a clear description of the expectations and time frame of the assignment. The employee appointed to the higher classification shall be placed in the new range that most closely matches their assigned responsibility during the period of assignment. The employee shall be placed in the step closest to a 4% increase in the new range without going below 4%. Management may choose not to make temporary out-of-class assignments.

ARTICLE 12 - HOURS OF WORK AND OVERTIME

Section 1 - Normal Work Week. Except as provided elsewhere in this Agreement, the normal work week shall consist of forty (40) hours worked per calendar week for all full-time employees and consist of twenty (20) or more hours per calendar week for all regular part-time employees.

Section 2 - Changes in Normal Work Week/Hours. Should it be necessary in the interest of efficient operations to establish schedules departing from the normal work week/hours, the City will give written notice of such change to the employee as far in advance as it is reasonably practical, but in no case less than seven (7) calendar days, unless agreed upon by both parties or in extended emergency situations declared by the City Manager. In all such cases, the City will make every effort to accommodate and/or mitigate the potential impacts of the schedule change to the satisfaction of the employee and the City. This may include consideration of alternate scheduling, work assignments and/or time and a half compensation. If changes are made with less than seven (7) calendar days written notice to the employee, the hours worked up until the tenth day shall be considered as authorized unscheduled hours.

Section 3 - Rest Periods. Each full-time employee shall be allowed two (2) rest periods of fifteen (15) minutes each, one before lunch period and the second after lunch period. It is understood that the rest period is to be flexible so as to provide necessary service to the public.

Section 4 - Overtime Pay. FLSA non-exempt employees shall be paid one and one-half (1 1/2) times their regular straight time hourly rate of pay for all authorized hours of work in excess of the scheduled work periods set forth below. Authorized unscheduled hours of work as defined in Section 2 above shall also be paid at the overtime rate. The work periods shall include sick leave, holidays, vacations or other paid leaves as "time worked" in computing the forty (40) hour per week requirement. It is specifically understood by the parties that this overtime pay provision shall not apply to standby time or any unauthorized hours of work. Saturday or Sunday work shall not be considered overtime when it is a regularly scheduled work day for the employee.

Authorized hours worked in excess of forty (40) hours per week rounded to the nearest half hour, shall be considered as overtime hours worked, based on the formula of the employee's annual salary divided by 2080.

Section 5 - Compensatory Time. Compensatory time may be earned in-lieu of overtime pay, at the request of the employee and with the approval of the supervisor. Once an employee chooses the compensatory time option and it is approved, it cannot be changed to cash at a later date, except at termination of employment. Such accruals shall be on a basis of one and one-half (1 1/2) hours for each overtime hour worked. Employees may accumulate a maximum of 80 hours. Use of compensatory time should be scheduled as soon as possible after accrual with due regard for the wishes of the employee and after approval of the respective Department Head.

Section 6 - FLSA Exempt Status. Employees occupying FLSA exempt positions are not eligible for overtime compensation, but are eligible for Professional Leave. New positions added to the classification grid will be evaluated to determine the FLSA status.

Section 7 - Professional Leave. Professional Leave is available to employees working full-time in eligible represented FLSA exempt positions. Professional leave shall accrue annually at the rate of forty (40) hours (3.33 hours/month) effective January 1st of each calendar year and shall be prorated for eligible new employees based upon their month of employment or FLSA status change, with accruals beginning the first day of the month following their date of hire.

Accrued Professional Leave equal to or less than one year's accrual will carry forward to the next calendar year, except that at no time shall the accrual exceed a maximum of one year's accrual (40 hours). Accruals will occur only when the employee's Professional Leave balance is less than 40 hours. In other words, accruals will cease when an employee has "banked" a total of 40 hours Professional Leave.

Professional leave is granted in recognition of extraordinary time worked, and is intended to provide time off for recuperation. It must be taken in increments of no less than four hours at a time. Eligible employees must notify supervisors in advance of the time professional leave is to be used and are expected to schedule such absence in a manner which will cause the least impact upon work within their department.

Section – 8. In December of each year, the City Manager may approve a "buy-back" of accrued vacation leave of up to forty (40) hours for eligible FLSA exempt employees in cases where Professional Leave or Vacation leave was scheduled and could not be taken due to extraordinary circumstances (For example: the leave was denied or an unforeseen shortage of staff necessitated the employee stay to complete a time-sensitive project). Buy-back of vacation leave will not be granted if 1) the employee has ninety-six (96) hours or less of accrued vacation leave, or 2) if the requested amount for "buy back" results in the employee's accrued vacation leave bank totaling less than ninety-six (96) hours of leave.

Section 9 – Shift Differential

All regular full time and part time bargaining unit employees in Public Works and Parks Operations who are assigned to work between 5:00 p.m. and 8:00 a.m. on weekdays and any hours on weekends will be paid a shift differential of \$2.00 per hour.

Exceptions to shift differential:

- A. Shifts starting between 6:00 a.m. and 8:00 a.m. are not eligible for shift differential pay.
- B. Work which is scheduled after 5:00 p.m. and before 8:00 a.m. on the basis of convenience to the employee, including alternative work schedules in accordance with Section 15, shall not be considered shift differential for the purpose of this provision.
- C. Shift differential does not apply to call back nor overtime.
- D. Shift differential does not apply to vacation, holiday pay, bereavement leave, or other paid leave benefit.

Shift differential shall be calculated as part of the hourly rate of pay when applying the provisions of this Agreement in other sections. Shift differential is to be paid only for the specified hours as stated above. When an employee who usually works a differential eligible shift is temporarily assigned to a non-differential eligible shift for a period of five (5) working days or less, the employee shall continue to receive their current hours of shift differential. A temporary change in shift assignment initiated by the employee is not covered by this provision.

Work schedules may be adjusted at the Employer's discretion in accordance with Article 12, Section 2.

Section 10- Call Back.

- A. Return to Job Site. Any employee called back when not scheduled to work shall be paid for the time so worked but shall be guaranteed a minimum of three (3) hours at time and one half. If the call-back time precedes and carries into a regularly scheduled period, the employee shall have the option of terminating the work day upon the completion of the number of hours in their normally scheduled work day, or working to the end of their normal regularly scheduled shift (unless safety considerations dictate otherwise) in which event they shall be paid overtime in accordance with this contract. Determination of sufficient work force available to allow an early release will be made by the Department Head or his/her designee. Time worked shall be calculated from the time of arrival on the regular job site to the time of release by the Department Head or his/her designee.

- B. Response from Home. Employees in Information Services, Facilities Maintenance, or Public Works who are not “On Call” and who are contacted outside their work hours to address and respond to City system malfunctions electronically from home or other off work site location shall receive one (1) hour overtime compensation. If the employee is contacted more than once between work days, they shall receive one (1) hour overtime compensation for calls received and responses made in the same hour. Calls and responses in separate hourly periods will be compensated at overtime rate for each separate hour.
- C. Declared Emergencies or Inclement Weather: The City and Union agree that events declared as emergencies by the Mayor, City Manager, or Department Director may require significant changes in departmental operations in order to maintain essential services to the Bothell community. It is understood by the parties that the Emergency Coordination Center (ECC) may not necessarily be activated during the emergency.

During declared emergencies, employee compensation shall be according to the AFSCME collective bargaining agreement except as follows:

1. Employees called back from vacation to work or who already had scheduled vacation planned and approved by their supervisor, and whose vacation is cancelled because of an emergency:
 - a) shall have the option of cashing out accrued vacation for each shift worked on the day which they were called back to work or on their cancelled vacation day subject to Section 2c below, OR the option of saving the unused vacation leave to be utilized per Article 18 of the AFSCME agreement. The employee may request cash out of the same number of hours of accrued vacation leave as the number of hours worked on the shift, to a maximum of the number of hours they normally work under their regularly scheduled shift (for example: an employee working a regular Monday through Friday 8 hour a day schedule would be able to cash out a maximum of eight hours for the day; an employee working a 4/10 schedule would be able to cash out a maximum of ten hours for the day; and an employee working a 9/80 schedule would be able to cash out a maximum of nine or eight hours for the day based upon their normal week’s schedule.)
2. Employees eligible for vacation cash-out under Item (1.a) of this section are limited to a maximum of eighty hours of vacation cash out in a calendar year.

3. Employees may cash out vacation per item (1.a) of this section by completing the appropriate form and submitting it with their regular time sheet for the pay period in which they were called in from vacation or their vacation was cancelled by the City.
4. In the event of inclement weather or an emergency that prevents normal operations, as determined by the City in accordance with its policies and procedures, the following will occur:
 - a) If employees who are unable to telecommute are not allowed to come to work in-person, or are sent home early, as determined by the City, they will be paid their regular rate of pay for their regular shift.
 - b) If an employee is not able to come to work due to inclement weather or a declared emergency they must use paid leave in accordance with this collective bargaining agreement and City policy.
 - c) If essential workers as defined by the City are required to show up and perform duties in-person, and have no option to work from home, they shall be paid an additional two percent (2%) of their base wage for hours worked in-person up to a limit of \$1500 per event.

Section 11 - Non-Pyramiding. Overtime pay, cost-of-living and step grade increases shall be based on straight time rate of pay only unless FLSA requires otherwise. Further compensation will not be paid (or compensatory time approved) more than once for the same hours worked.

Section 12 - Union Business. Recognizing that Labor/Management relations are of significant importance to the City and the Union, reasonable time off with pay from normal working hours shall be granted to official Union Representatives for handling grievances, attending meetings or other legitimate Union business subject to reasonable notice and the agreement of the supervisor.

Section 13. No more than four (4) employees from the bargaining group shall be granted leave from duty without loss of pay for meetings between the Union and the City for the purpose of negotiating the terms of a collective bargaining agreement.

Section 14 - On-Call. Employees may be required to carry a phone and respond as determined by the Department Head. Employees assigned City phones or radios that are taken home are not assumed to be on-call unless so designated by the Department Head. Section 7. Sick Leave Conversion. Annually, regular employees with more than 96 hours of accrued sick leave have the option of converting up to 24 hours of accrued sick leave to vacation leave. Employees electing to convert sick leave to vacation must notify Human Resources by November 1st and specify the number of hours to be converted, not to exceed 24. Human Resources will confirm the Regular Employee has at least 96 hours in their sick leave bank and will process the conversion to be effective the second pay period in January.

Section 8. Pay Out of Sick Leave Upon Separation. Upon separation from service in good standing, employees will be reimbursed a percentage of the cash value of the accrued leave at their current rate of pay for all hours in their sick leave bank over 960 based upon the following schedule:

The employee may request the reimbursement be paid out to them in their final check, or contributed to the employee's City deferred compensation plan.

The days off shall be used by December 31 of the same year as approved by their supervisor. The utilization of wellness days shall not be unreasonably denied by management. All aspects of this incentive must comply with the requirements of the Health Information Privacy Protection Act (HIPAA).

The provisions of this Section are intended to comply with the Omnibus Transportation Employees Testing Act of 1991 (the Act) and relevant Department of Transportation regulations. The parties agree that the workplace should be free from the risks posed by the use of alcohol and controlled substances in order to protect the safety of employees and the public. The unlawful manufacture, distribution, possession or use of a controlled substance is prohibited in the workplace. The parties further recognize that the abuse of alcohol and controlled substances is a treatable illness and the employer will make reasonable efforts to provide assistance to employees in need of help. An employee assistance program (EAP) is available to employees with personal problems, including those associated with alcohol or controlled substances use. The Employer and the Union will aid such employees who request assistance with such problems. The Employer and the Union will encourage the employee to seek professional assistance where necessary.

In all other cases, the Personnel Policy, Civil Service Rule or Regulation shall apply to employees in the bargaining unit.

**Addendum A
to the Agreement between
the City of Bothell and AFSCME Local #3845
Regarding Civilian Police Department Employees**

This Addendum is adopted as part of the agreement between the City of Bothell and AFSCME Local 3845. Where provisions of the contract conflict with this Addendum for employees of the Bothell Police Department who are represented by AFSCME, the following provisions shall supersede.

Section 1. Probationary Period. AFSCME Police Department employees, newly employed in Dispatch, Records, and Police Support Officer positions, have a 12 month probationary period. The City and the Union both understand the length of training provided to new employees is based on the needs of the employee and agree that the City may extend the probation period by 90-days with mutual agreement between the City and Union.

Section 2. Working Hours & Shifts. All employees shall be employed on the basis of a work shift of between an eight (8) hour to a twelve (12) hour day. The specific hours and days worked shall be at the discretion of the Chief of Police or his/her designee.

1. Police Communications Center - This Addendum specifically recognizes the need for a flexible “relief” or “cover” shift in the Police Communications Center. Accordingly, as staffing levels permit, Police Dispatchers may be assigned to a relief shift at the discretion of the Police Chief or his or her designee. Such assignment shall be voluntary and will work a flexible 40-hour week, based on a four (4) ten (10) hour days shift. Such flexibility is necessary to meet staffing needs of the Communications Center and shall be approved by the Dispatch Supervisor.
2. Rotating Shifts - Employees who are required to work a rotating shift shall be assigned to a new shift at each scheduled rotation period. Rotation lengths are typically 3 or 4 months in length, and any substantive change is subject to written agreement of the Union and Management. Employees who are required to work longer than the scheduled rotation for a period greater than two weeks will be entitled to an increase in their base wage by three (3) percent for each week worked past the scheduled rotation. This premium will not apply if the employee voluntarily requests to remain on a shift (either through shift trading or by filling an available position). It will however apply in any other instance where an employee is required to remain on the shift by the Chief of Police or his/her designee.

Section 3. Changes in Normal Work Week/Hours. Should it be necessary in the interest of efficient operations, or in times of an emergency, to establish schedules departing from the normal work schedule, the City will give written notice of such change to the employee as far in advance as it is reasonably practical. Whenever possible, employees will be given at least ten days notice, unless agreed upon by both parties. In all such cases, the City will

make every effort to accommodate and/or mitigate the potential impacts of the schedule change to the satisfaction of the employee and the City. This may include consideration of alternate scheduling, work assignments and/or time and a half compensation.

Section 4. Rest Periods and Lunch Periods. AFSCME Police employees who are required to remain in a status of continuous response shall be compensated for a shift that includes breaks and lunch periods. Other employees are governed by Article 12, Section 3 of the Agreement.

Section 5. Overtime. The hours worked in excess of a work shift day of between eight (8) hours and twelve (12) hours per shift day are designated as overtime. Employees shall work overtime only with the specific and prior approval of the Chief of Police or his/her designee. In circumstances where unscheduled overtime is required to meet minimum staffing levels, every attempt will be made to make required notifications, however overtime shall be assumed to be authorized unless specifically designated otherwise by the Chief of Police or his/her designee. In addition, all hours worked outside of an employee's regularly assigned shift (with the exception of non-mandatory training) will be considered overtime and will be paid at the overtime rate. All employees will receive at least ten (10) hours off between shifts, unless it has been discussed with the employee and the employee agrees.

Section 6. FLSA Exempt Status. The Police Records Supervisor and Police Communications Supervisor positions will be treated as FLSA non-exempt and will be eligible to earn over-time and compensatory time.

Section 7. Callback. AFSCME Police personnel called back for training, mandatory meetings, or job related duties shall be paid at the overtime rate. AFSCME Police Employees who attend training, mandatory meeting, or job related duties on their regular days off shall be paid at the overtime rate for every hour of work, with a (3) three hour minimum. This requirement for overtime pay for training shall follow the provisions found in FLSA guidelines.

Section 8. Standby. AFSCME Police employees who are required, during an emergency or staffing shortage, to standby for callback at their residence during off duty hours shall receive standby pay at the rate of half (1/2) their hourly rate for every hour on standby. Such standby must be required by supervisory or command personnel.

Section 9. Call-Back Meals. AFSCME Police employees shall not be entitled to call-back meals.

Section 10. Clothing and Appearance. AFSCME Police personnel who are required to wear uniforms shall receive Department authorized uniforms and other clothing pursuant to the Police Department Quartermaster system in effect at the date of signing this agreement. The employer agrees to pay up to \$30 per month towards cleaning services for Uniforms supplied by the Employer for each member of the bargaining unit who is required to wear uniforms.

Section 11. Holiday's and Vacation. AFSCME Police Employees shall receive the same number of vacation hours (outlined in Article 18) and holiday leave (96 hours) (outlined in Article 17) annually as non-police employees, (shift workers in Dispatch will receive an additional 8 hours of holiday leave annually on January 1st), in lieu of regular holiday days off afforded to non-police AFSCME employees.

Effective January 1, 2012, the annual 96 hours of holiday leave will be added to each full-time employee's holiday leave bank on January 1st of each year (full-time shift workers in Dispatch will receive 104 hours of holiday leave). The 96 hours (or 104 hours for Dispatch) of holiday leave will be pro-rated for part-time employees. When an employee takes a paid day of Holiday leave, the number of hours taken will be deducted from their Holiday leave bank. Leave may be scheduled for use upon the agreement of the employee and their manager, consistent with Department Policy.

Holiday leave must be utilized in the year in which it is earned and is not eligible for cash out except as provided in this section. Upon separation from service, holiday leave not taken will be cashed out on a pro-rated basis in relation to the number of holidays that have occurred in the year at the time of separation less the number of hours of holiday leave already taken by the employee for the year. (For example, if the employee separates from service in March, three holidays have occurred. If the employee has only utilized holiday leave hours equivalent to two holidays, they would be eligible for one day of holiday leave cashed out upon separation. However, if the employee has utilized holiday leave hours equivalent to three holidays, they would not be eligible for any holiday leave cash out.) Conversely, upon separation from service if the employee has utilized more holiday hours than have occurred in the year at the time of separation, the employee shall reimburse the City from their final paycheck for the excess holiday hours taken. (For example, if three holidays have occurred at the time of separation and the employee has taken holiday leave equivalent to four holidays, the employee must reimburse the City for one day of holiday leave.)

An AFSCME Police Employee required to work any of the following holidays shall be paid at time and one-half of their regular rate of pay:

Martin Luther King, Jr. Day	Third Monday in January
President's Day	Third Monday in February
Easter Sunday	April
Memorial Day	Last Monday in May
Labor Day	First Monday in September
Veteran's Day	November 11
Day after Thanksgiving	Fourth Friday in November

AFSCME Police Employees required to work Christmas Day, Thanksgiving Day, July 4 or New Year's Day shall receive double time for all hours worked on the holiday.

Section 12. Vacation Scheduling. Vacation time for AFSCME Police Dispatch, Public Safety Officers and Records employees shall be granted using a priority system of primary and secondary requests.

In December of each year, employees will submit primary and secondary vacation requests for the following year. These requests must be submitted by December 31. Primary requests will be approved or denied not less than 60 days before the request is to take effect. Secondary requests will be approved or denied not less than 30 days before the request is to take effect. Every effort will be made by management to approve primary vacation requests.

When a conflict exists between requests, primary will be honored first, with seniority in position being the deciding factor between primary requests. Secondary requests will be honored second, again with seniority in position being the deciding factor. Additional vacation requests, or those submitted after the deadline, will be granted, as coverage is available.

If an employee's primary and/or secondary vacation is denied due to an emergency, within the 60- or 30-day requirements, the employee shall receive the premium pay in accordance with Article 11, Section 10 for hours worked during the denied vacation time. Emergency situations may include but are not limited to: emergency staffing shortage, natural disaster, and employee FMLA coverage.

Section 13. Sick Leave - Notification. Due to staffing requirements, notification of absence shall be given to the on-duty supervisor at the first indication that sick leave may be necessary, but no later than one and one-half hours prior to the start of the assigned shift. Failure to so notify may result in disciplinary action.

Section 14. Premium Pay.

1. Second Language Premium. Employees covered by this Addendum are required to speak and write fluently in English. Those who possess approved second language skills will receive 2% premium pay for the duration of their employment. Employees must be able to speak, understand, and clearly communicate in the second language to be eligible for the premium. Target languages include Spanish, Asian and Southeast Asian dialects, Japanese, and other languages as approved by the Chief of Police.
2. Training Premium. Police Dispatchers, Police Records Specialists, and Police Support Officers who are assigned to train new employees will receive a 4% premium pay while so engaged.

Public Safety Telecommunicators who have made application to serve as MPSTs may be assigned by the Police Chief to serve in that capacity. This special assignment is not a civil service rank and the Public Safety Telecommunicator shall serve in the position of MPST at the discretion of the Chief of Police.

One MPST will be assigned to each shift (day, swing, and night) and may not remain on the same shift for more than two consecutive rotations, unless the needs of the Division dictate otherwise.

Public Safety Telecommunicators may be assigned as both an MPST and as a Communications Training Officer (CTO). Compensation for simultaneous assignment to these two duties shall be no more than a combined total of six percent (6%) incentive premium based upon the Public Safety Telecommunicator's monthly base salary.

Master Police Records Specialists who have made application to serve as MPRS may be assigned by the Police Chief to serve in the capacity. This special assignment is not a civil service rank and the Master Police Records Specialist will serve in the Assignment at the discretion of the Chief of Police.

If the Master Records Specialist earns other premium pays, their total will be capped at 6%.

Addendum B
to the Agreement between the City of Bothell and AFSCME Local #3845
Regarding Municipal Court Employees

This Addendum is adopted as part of the agreement between the City of Bothell and AFSCME Local 3845. Where provisions of the contract conflict with this Addendum for employees of the Bothell Municipal Court who are represented by AFSCME, the following provisions shall supersede.

Section 1. The Municipal Court Judge is a presiding Judge within the meaning of General Rule (GR) 29 of the Washington Court Rules. The Judge performs all duties legally prescribed for a judicial officer serving as a Judge of a lawfully constituted Municipal Court according to the requirements of the Washington Constitution, the Revised Code of Washington, the Code of Judicial Conduct, the Washington Court Rules, and such other rules as may be prescribed by the Supreme Court of the State of Washington and Washington State Judge's Ethics Advisory Opinions.

The Judge is directly responsible for the oversight of the Court and all of its administrative functions including but not limited to the development and implementation of the Court budget, procurement and disbursement of budgeted funds, development and implementation of court policies and procedures, and the management of bargaining unit Court employees and officers.

The Judicial branch is accorded independence from the Executive and Legislative branches of City government and nothing contained within this agreement shall be construed to interfere with that independence. Furthermore, the Judge is responsible for ensuring that court staff and officials subject to the Judge's direction and control comply with applicable provisions of the Code of Judicial Conduct, court rules, ordinances and statutes.

All bargaining unit represented court staff are City employees subject to City rules, regulations, and this agreement. Their salaries, benefits, hours of work and working conditions shall be established by the City and/or negotiated through this agreement. Court staff adheres to the same applicable personnel policies and the provisions of this agreement the same as other represented bargaining unit employees. The Judge plays a role in the negotiation, review, and amendment of any such policies and this agreement, to ensure that they recognize the unique nature of court employment and the Judge's rights and responsibilities with respect to court employees.

Section 2. Declared Emergencies Affecting Municipal Court Operations. In the event of inclement weather or an emergency is declared by the Judge, or designee, that prevents the court from operating as normal, employees will be compensated as follows:

1. If the Court closes due to a declared emergency, employees who are not required to come to work will be paid for their scheduled shift. Employees will be required to work from home if that is possible.

2. If an employee is sent home early due to a declared emergency, the employee shall be paid for actual hours worked and compensated the remainder of their scheduled shift at their regular rate of pay.
3. If the Court is open and an employee is unable to come to work, the employee may use eligible paid leave to supplement their time. In the event the employee doesn't have eligible paid leave available, they may go on leave without pay.
4. If Court employees as defined by the City are required to show up and perform duties in-person, and have no option to work from home, they shall be paid two-percent (2%) of their base wage for hours worked in-person up to a limit of \$1500 per event.
